The sales since have been at a decline of 2½ cents until this morn-lng, when a sale was effected at \$1 17½ for large size bbls — The receipts continue small, and we note a light stock offering. FREIGHTS .-- To New York have declined fully 10 cents per bbl. on naval stores, and 25 cents per bale on cotton since our last review; the market continues dull, and shippers are demanding still further reductions. To Boston rates have also declined and are dull. See table. Rates to Philadelphia are without change, but dull at prices quoted in our table.
